

Leadership Team Meeting Minutes

May 1, 2014

Meeting called to order at 7:05

Minutes of last meeting are on the website. Bob moved to accept the minutes, motion was seconded and carried.

Treasurer's Report

No Treasurer's report as Dave is out of town

\$2500-\$3000 currently in the account

Some question as to whether Otterbein had paid for us the last concert. They pay us \$500 for every concert.

New director transition

When Chris is ready to step down. There is a stipend for the director. Chris would be happy with Dan taking over. The consensus is that the band would be ok with that too. Bob suggested that Dan be appointed Associate Director. Scott suggested that Dan could regularly take at least one piece a concert. We would still want to also include guest conductors. Chris suggested that we email suggestions of how this might work to Bob.

Status of the band with Miami

Not listed as a class so students can't enroll. They want more students, but they don't list the band as a class. Chris is working with Miami on this.

Status of the band with regard to use of Lakota's facilities

Concern that we might lose the use of the band room with the recent resignation of Greg Snyder. Chris thinks that things shouldn't change because we are affiliated with a public university and can use the facilities. If we lose Miami, we might lose Lakota. It has been suggested that we could find another place, possibly in Fairfield. Chris will follow up and make sure that our continuing at Lakota is not an issue.

Money to buy more music

We had discussed registering with Kroger to use for fundraising. Bob will follow up and get information to Carolyn to distribute. It was also suggested that we could ask for sponsors and promote them in our program. We could also ask for sponsorship levels in the December program. Carolyn will put in the December program.

Ideas to increase audience attendance

Pat MacNab had promoted us on their social media. We have a FB page, but it's not kept up to date. Local print media is localized. It was suggested that we contact WGUC and WMKV for promotion.

Other Business

It was suggested that we meet after concerts to eat at a restaurant. More information would be needed to move forward with this. Tabled for later discussion.

Meeting adjourned at 7:34
